EDUCATION

Cardiff University <i>MSc Advanced Computer Science</i> Coursework: Programming Paradigms, Internet of Things: Systems Design, Principles of Machine Learning, Applications of Machine Learning: Natural Language Processing / Computer Vision, Developing Secure Systems and Applications, Distributed and Cloud Computing.	Sep 2025 – Present
Cardiff Metropolitan University <i>BSc (Hons) Computer Science – Artificial Intelligence</i> - Dissertation: Design and Development of an AI-Driven System for Virus Signature Detection Utilizing Machine Learning Techniques. - Grade: First Class Honours (U.S. Equivalent: 4.0 GPA)	Sep 2022 – Jun 2025

SKILLS

Programming: Python, Java, JavaScript, SQL, HTML/CSS.
Frameworks & Tools: React, Expo, AWS, Git/GitHub, scikit-learn, XGBoost, Jupyter Notebook, IntelliJ, PyCharm, VS Code
Concepts: Object Oriented Programming, Data Structures & Algorithms, Machine Learning, Feature Engineering, AI Agents, Agentic Orchestration, Agentic Prompting, MVC Architecture, CRUD Operations.
Certifications: AWS Academy Cloud Foundations (2021), Great Learning: Python Fundamentals (2022), Great Learning: Introduction to AI (2023).

PROFESSIONAL EXPERIENCE

Minor League Cricket Semi-Professional Cricket Player - Competed at a high-performance level representing Dallas Mustangs and Kings XI Dallas, strengthening collaboration and strategic thinking. - Contributed to team match outcomes through consistent performance across multi-season competitive schedules in the Dallas region.	Sep 2020 – Oct 2025
Cardiff Metropolitan University Lead School Representative - Spearheaded student advocacy for 600+ peers, collecting and analyzing structured feedback to drive academic policy improvements. - Orchestrated targeted events and outreach programs, boosting student engagement and participation by 35%.	Aug 2024 – Jun 2025
Emergere Technologies Data Analyst Intern - Engineered a robust data analysis framework that elevated team operational efficiency by 15%. - Delivered hands-on Python and data analysis training to 20+ individuals across varied technical backgrounds.	Jun 2020 – Aug 2020

PROJECTS

Shadow AI Guardian Cardiff University - Engineered a 4-layer AI threat detection Chrome Extension (URL blocking, DOM scanning, paste interception, network surveillance) winning the Cardiff University Alacrity Hackathon. - Implemented real-time sensitive data detection across 6 data types with a full admin portal, group management, and per-user audit logging using JavaScript and Chrome Manifest V3.	Feb 2026
AI Malware Detection System Cardiff Metropolitan University - Architected an ML-powered malware detection pipeline (Random Forest, MLP, XGBoost) achieving 0.9997 ROC AUC across 2,000+ PE, Office, and PDF files, outperforming traditional signature-based antivirus tools. - Executed end-to-end model engineering in Python (scikit-learn, XGBoost) covering static feature extraction, hyperparameter tuning, and cybersecurity threat evaluation.	Sep 2024 – May 2025
ModernCity Smart City Application Cardiff Metropolitan University - Developed a full-featured Java/JavaFX desktop application with modular MVC architecture (Singleton, Factory patterns) serving tourism, civic, and business use cases. - Integrated a secure MySQL back-end with complete CRUD operations, exception handling, and unit testing ensuring production-grade reliability.	Sep 2024 – Jan 2025

LEADERSHIP & ACTIVITIES

Cardiff Met Asian Society Founder & President - Founded and scaled a university society, coordinating 10+ cultural events and securing external business sponsorships to drive community growth and institutional visibility. - Cultivated partnerships with local organizations and peer societies to foster an inclusive cross-cultural community of 50+ active members across campus.	Apr 2024 – Jun 2025
Cardiff Met University Cricket Club Performance Squad Player - Ranked among top bowlers club-wide (35 wickets, 12.00 avg, 3.70 economy), accounting for 24% of team wickets and anchoring the attack at the 2025 BUCS Outdoor National Championship. - Sustained high-performance output across three seasons as a core First XI contributor, delivering match-winning performances in high-pressure competitive fixtures.	Sep 2022 – Jun 2025
Cardiff Metropolitan University Student Ambassador - Hosted campus tours and open days, serving as a primary point of contact for prospective students and their families to promote the university. - Contributed to marketing and enrolment campaigns, assisting in the development of strategies that improved prospective student retention rates.	Aug 2023 – Jun 2025
